How The Accreditation Works

Our program is designed to get you up and running quickly.

It begins with a comprehensive **one-day workshop** that is hands-on and highly interactive.

Learn the History. Understand the origin and evolution of Click! Colours. Through the history you will understand the nuances that Click! Colours brings.

Experience the System. You will personally experience the power of Click! Colours in an interactive workshop. Through role play and group discussion you will collect examples to add to your toolkit.

Master the Delivery. Hone your skills to support others to identify and understand different personality traits and communication styles.

By the end of the program, you will be confident and fully equipped to help people achieve success in every aspect of their lives.

Are you ready to join our network and start making a real impact?
Let's get started.
